Vaccine/Medical Requirements:

Only dogs that have been fully vaccinated will be allowed in the playgroups at Doggy Day Care.

Vaccines required:

Rabies (1yr. or 3yr)

Bordetella

Distemper-Parvo combination vaccine (8n1) H3N2 Influenza Vaccine

Bordetella is required every 6 months. The Bordetella vaccine is to help prevent upper respiratory infection which is common and quite contagious when many dogs are together.

All dogs should be current on flea and tick preventative. We keep our facility flea free. If fleas are spotted on your dog, they will be placed in a kennel and give a capstar at owner's expense. A capstar is a pill that will kill fleas on your dog, effective for 24 hours. It is not a preventative. Your dog may return to day care after all fleas are removed.

All dogs must be spayed or neutered.

To ensure safety while at play, all collars will be removed upon entering the day care yards. If your dog's collar does not have a name tag, please label your dog's leash with their name and your last name.

Behaviors that are not tolerated are excessive humping and aggressive behavior toward other dogs in the playgroup or towards staff members. Kleinpeter Veterinary Hospital's Doggy Day Care reserves the right to turn away any dog whose behavior/temperament is considered unacceptable.

All dogs are monitored throughout the day but are not under constant supervision. Kleinpeter Veterinary Hospital's Small Doggy Day Care will not be responsible for any injuries that may occur during rough play. While we try to ensure the best safety possible, there is a risk of injury to your pet from other dogs while involved in day-stay.

I understand that I am responsible for any harm caused by my dog while my dog is attending Kleinpeter Veterinary Hospital's Small Doggy Day Care. I understand and agree that in admitting my dog to Kleinpeter Veterinary Hospital's Small Doggy Day Care, the facility has relied upon my representation that my dog is in good health and has not harmed, shown aggressive or threatening behavior towards any person or any other dog.

I understand that if my dog is misbehaving, he/she may be placed in "time out" not to exceed twenty minutes. I understand that when dogs play in groups, nicks and scratches or other possible injury may and can occur. Day care staff may or may not notify me immediately. If the injury is not serious, the staff may feel it is acceptable to leave my dog until the end of the day and let me know about it when I pick up my dog. If the injury is serious, the owner will be called immediately.

I understand that Kleinpeter Veterinary Hospital's Small Doggy Day care is a place where dogs co-mingle in groups, and I recognize that there are inherent risks when dealing with dogs. I do hereby waive and release Kleinpeter Veterinary Hospital's Small Doggy Day Care from any and all liability of any nature. This includes any injury, death, sickness or damage my pet may suffer during or after day care.

If my pet should become ill or seem to be in need of medical attention, Kleinpeter Veterinary Hospital's Small Doggy Day Care reserves the right to take any and all action necessary to secure the well-being and health of my pet including any medical attention deemed necessary. Kleinpeter Veterinary Hospital will care for my pet in the event of a medical problem that is serious in nature. I, the owner, will be held liable for paying any expense incurred in securing the well-being and health of my pet(s).

To be clear, by signing this waiver, I fully understand that my dog can get hurt playing with other dogs. I agree to pay for any and all veterinary bills that may result from my dog being injured at this facility and during Small Doggy Day Care. Kleinpeter Veterinary Hospital is not responsible for the cost of care for injured pets in Small Doggy Day Care.

I have read and fully understand and agree to the above terms. I understand and agree that all fees are due and payable when I pick up my dog.
